The cost PER CREDIT is \$180.00. Payment is due with this registration form. Credit cost is separate from workshop fee.

Nature of the Course:

Participants, who choose to earn credit from Silver Lake College, will have the opportunity to extend the knowledge and skills gained in the workshop training, "Careers for Individuals with Asperger's & High Functioning Autism," in an independent and authentic application of theory to practice within his/her relevant educational and/or professional setting. Evaluation Criteria Checklists for written requirements outline the specific components and content which participants need to include for each requirement. It is the student's responsibility to determine whether s/he has the prerequisite knowledge and skills to complete the credit option requirements.

Workshop Content Description:

Based on her innovative book, "The Way I See It," Temple Grandin will discuss the real issues of autism that affect parents, teachers, and individuals on the spectrum every day. Workshop content includes helpful do's and don'ts, practical strategies and try-it-now tips based on Temple Grandin's "insider" perspective and research. During the afternoon session, she share content from her book "Developing Talents" and will show how to apply her guidelines, providing suggestions and examples to career development in real life.

Objectives of the course:

Participants who choose to complete the independent and authentic application of theory to practice for one (1) graduate credit will demonstrate the following knowledge and skills:

1. Identify key concepts that address life issues for individuals on the autism spectrum
2. Summarize key concepts of career development for individuals on the autism spectrum.
3. Identify new knowledge and skills or the extension of prior knowledge and skills regarding career development for individuals on the autism spectrum.
4. Apply workshop knowledge and skills to relevant educational and/or professional environment.
5. Analyze, compare, and contrast current research and best practice with workshop knowledge and skills.
