If it is necessary to "withdraw" from this course after sending an official registration for credit to Silver Lake College, a formal "withdraw" from credit must be made no later than one (1) week after the workshop to be exempt from tuition penalties. Call (920-686-6157) if you need to withdraw from credit after official credit registration.

The cost PER CREDIT is \$175.00. Credit tuition cost is in addition to the workshop fee. Payment is due with the credit registration form.

Nature of the Course:

Participants, who choose to earn credit from Silver Lake College, will have the opportunity to extend the knowledge and skills gained in the workshop training "Teaching Strategies for Autism Spectrum Disorders" in an independent and authentic application of theory to practice within his/her relevant educational and/or professional setting. Evaluation Criteria Checklists for written requirements outline the specific components and content which participants need to include for each requirement. It is the student's responsibility to determine whether s/he has the prerequisite knowledge and skills to complete the credit option requirements.

Workshop Content Description:

Participants in this workshop will explore teaching strategies that will assist learning for children/youth with Autism Spectrum Disorders (ASD), Pervasive Developmental Disabilities (PDD), and Asperger's Syndrome. Topics include how to prepare students for learning and how to structure and present information to facilitate and motivate student understanding and participation in learning. Solutions for problems that interfere with learning will be addressed.

Objectives of the course:

Participants who choose to complete the independent and authentic application of theory to practice for one (1) graduate credit will demonstrate the following knowledge and skills related to learners on the autism spectrum and other developmental disabilities

Graduate Credit Course Objectives

1. Identify common characteristics of ASD which significantly affect learning.
2. Discuss the intelligence continuum and the continuum of neurological function for ASD and related developmental disabilities.
3. Describe the learning style differences for perceptual, social, conceptual, and complexity as they relate to learning tasks.
4. Compare and contrast the learning differences among children/youth with autism, PDD, or Asperger's Syndrome.
5. Compare and contrast types of effective teaching strategies for children/youth with autism, PDD, and Asperger's Syndrome.
6. Describe "Theory of the Mind" development and how it relates to correction and re-teaching.
7. Identify effective teaching strategies for academic learning areas (e.g., pre-readiness, reading, math, science, etc.)
8. Describe modifications and accommodations to learning tasks that promote success for children/youth with autism, PDD, or Asperger's Syndrome

General Requirements

Attendance and participation in all sessions of the Spectrum Training Systems Inc workshop activities **is mandatory for earning the one-(1) credit.**
